1. Army of the Lord

A: Hear that sound? It's the trump of the Lord
It calls His army to the fight
Arise and don the full armor of God
To fight a valiant fight

B: Our great captain is Jesus Christ
Love is our banner lifted high
Crowned with glory we'll reign with Him
When we have overcome the strife

C: A breastplate of righteousness, a belt of truth
Boots made of the peace of the gospel news
Salvation is my helmet, my faith a shield
The word of God's the mighty sword I wield

A1: Christ's precious blood alone
Christ's precious blood alone

Christ's precious blood alone

A2: Christ's precious blood alone
Christ's precious blood alone

Christ's precious blood alone

B1: Christ, blameless Lamb, to atone
Paid for our lives with His own
Though I was dead, grace bestowed life instead
It's by Jesus' blood alone

B2: Christ, blameless Lamb, to atone
Paid for our lives with His own
Death, hell, and sin, their dread power done in
It's by Jesus' blood alone

I am made holy, the covenant blood makes me
Worthy to come to His throne

3. Lord, I Believe

B: Lord I believe! Yes I believe
The promises and love You've shown to me
Lord I believe! Yes I believe
You'll fulfill Your purpose for me

Awesome and inscrutable, to make of sinful man
His own children who, through Christ, a portion would receive
And His promises would achieve

Through Whose blood, salvation's sanctifying work is done
Surely, then, life's blessings and its trials He will weave
For the good of those who believe

Darkness and his fortress we have pow'r to overthrow
With Your Spirit in me conqu'ring all adversity
Who can separate Your love from me

10. If

[Man]

A1: If the whole of my life is a star flitting once through the sky
Then why do my dreams transcend time
If the fact I'm alive is coincidence void of design
Then why is love my desire

B1: Who can hear my cry--hear the cry
Of my heart's most anguished sighing
Who can give reply, give me reply
Where is there true love to find (true love to find)

[Jesus]

A2: If your life were no more than a star flitting once through the sky
I would not have endured and stood by
If the fact you're alive were an accident, not design
I would not have given My life

B2: Do you know, My child--know, My child
That you break My heart with sighing
Do you see that I, see that I
Give you love that is undying

[Together]

B3: Who can hear my cry (You know, My child)
Hear my cry (Know, My child)
Of my heart's most anguished sighing (My heart breaks for you)
Who can give reply (You see that I)
Give me reply (See that I)
Where is there true love to find (Love you always)

[Man]

T: What if my life is more than a star flitting once through the sky

One of us, yet Your radiance unearthly
Though I could not face Your fiery holiness
I could not resist Your forgiving gentleness

"I give you, water springing eternally"
Then You told me all that I'd ever done
Could it be that You are indeed the Holy One

You bore the nations' sin
Anointed One, Mighty King:
Of Your government's increase there is no end
